Gorgeous Views , Great Location!!!

Since it is an end unit this condo enjoys a lockable, special front porch area the others do not. The views from this 6th floor wrap around balcony are incredible from every direction.

The kitchen is made out of maple and granite and since all items stay in the kitchen, it is a cook's dream. Use the dishwasher, garbage disposal and other special features in the condo kitchen. The bedrooms are spacious , one with its own private balcony . The furniture is upscale both in design and concept.

With it's own parking and beach access Condo Playa Royale is the place for your discriminating clients. They will fall in love with this one ...
