

CASA GIBSON

\$ 195,000 USD

Casa Gibson is a well-constructed, livable three-bedroom, two-bath house located in the growing and ever-improving Bucerias neighborhood of Buenos Aires. It is located only seven blocks from the beach on the east side of the highway.

Perfect for a small family. It has 220 wiring, fresh paint, and attractive tile work throughout, including on the terraces. It has one bedroom on the first floor with the other two sharing the second floor with a cozy terrace overlooking the well cared for lawn with mature, beautiful plants and trees.

A metal spiral staircase takes you from the second floor to the rooftop terrace which offers a great view of the bay and town.
