

VILLA ACUARELA

Reduced Price from \$ 1,000,000 USD to:

\$ 895,000 USD

A gorgeous Mexican Hacienda Style Villa in the heart of Puerto Vallarta. Imagine 4 bedrooms, 4.5 baths, game room, kitchen fit for the most discriminating chefs! A great lap pool to cool off after a marvelous time in the outdoor entertainment bar area. Separate condo with a bedroom and full bath that can be used for a rental income or for family and friends that stay over and want their privacy. The possibilities are endless!

A private residence with great potential and a chance to build a three level condominium nested in part of the landscaped garden; the walled property will make this Hacienda your personal treasure or whatever your imagination desires, just remember Villa Acuarela has many other features you can't imagine unless you discover them yourself!
