

VILLA VISTA PARAÍSO 1

\$ 1,000,000 USD

Picture yourself on a tropical city, half-asleep in a poolside hammock of your own luxury villa, with sun-kissed skies and the sparkling blue Sea nearby. Feel your body succumb to the cool mountain breeze as it gently cascades over you, draining your stresses away!

Elegantly decorated with designer furnishings and tastefully selected art, Villa Paraiso is Mexican coastal living at its finest.

This spacious and well-appointed terraced home has 3 bedrooms, each with its own bathroom, marble floors throughout, granite and solid slab marble counter tops in all baths and kitchen; built-in closets in all bedrooms. Large sliding-doors and windows throughout with breathtaking views of Bandera's Bay and the Sierra Madre.

The family room doors disappear to reveal the expansive ocean view. The private patio boasts a jetted splash pool and comfortable teak outdoor furniture. Relax and watch the sun disappear into the horizon while listening to the waves lightly break on the beach below. During the day you may catch a glimpse of the whales and dolphins playing in the bay. It's a short walk into Bucerias or La Cruz/Marina and 30 minutes by car to Puerto Vallarta.
