

## Rancho Las Juntas y los Veranos

Boca de Tomatlán

Price: \$ 95,700 US Dlls.

### Features:

Rancho Las Juntas y Los Veranos offers 1417.80 m2 of land and a partially completed cabin of 240m2.

Have you ever dreamed of the peace and contentment of a country home, nestled on land surrounded by rolling fields on one side and mountains on the other? A place where peacocks and other exotic birds wander, where orchids flourish in the trees, and where a river splashes cool and sparkling clear as it passes through the property? Have you imagined sitting on the veranda of your cabin watching horses graze or children playing, or wandering through gardens that are green and flowering all year?

Your dream can be a reality.
